

# If You Pay As Much as \$25 a Month Rent You Could Be Buying a Modern Home of Your Own Like These with the Loan Insured Under the National Housing Act

THE NATIONAL HOUSING ACT is your opportunity to own a home of your own... a home planned and built for the requirements of your family, with every detail you want. For further information, see your banker, contractor, or Torrance Chamber of Commerce.

THE TWO HOUSES PICTURED above are typical of hundreds of other modern two-bedroom houses which can now be built for about \$2400. If you desire a three-bedroom house, the cost would be about \$3200, and the monthly payments less than \$32.
